COMMENTS:

Please read and sign: please review this form carefully, sign and return, as this is your final order. Your order will not be processed until we have received this signed form and full payment. All sales are final and as the dresses are made to order, there are no returns or exchanges. As the dresses are made to order, not custom made to measurements, alterations may be necessary. You are responsible for choosing your own size and alterations should be expected. If you are between sizes on the size chart, always order the larger size (you can always have a dress taken in, but it can't always be let out). Frocks does not offer alteration services but we are happy to recommend a tailor. We are not responsible for any alterations made after you receive the garment from us. A fee of \$45 will be charged for bounced cheques. Any issues with your dress (defects etc.) should be reported to Frocks within **48 hours** of receiving your dress.

I understand and agree with all the terms stated above and authorize Frocks to charge the credit card(s) on file:
